

## **Firefighter to be Honored for his Off- Duty Life Saving Actions**

**St. Lucie County** – On Wednesday, December 21, 2022, Firefighter Paramedic William Crittenden will be honored at the monthly Networking Breakfast Honoring a Life Saver at the Howling Rooster in Port St. Lucie located at 1319 St. Lucie West Blvd.

On November 30, 2021, PM Crittenden was in the Cumberland Farms with his young son when he witnessed a man collapse. Without hesitation, he went to the man's side and performed CPR. Through his efforts, PM Crittenden was able to get the patient's pulse back prior to the rescue truck and on-duty paramedic's arrival.

The Networking Breakfast Honoring a Life Saver began about two years ago when Michele Backus realized other organizations were recognizing Law Enforcement Officers... she wanted to also honor local firefighters. So once a month Fire District Officers have the opportunity to nominate someone they feel should be recognized and honored.

For more information or to RSVP to a breakfast, please follow the link to the Networking Breakfast website at [www.networkbreakfast.com](http://www.networkbreakfast.com) or visit them on Facebook at [www.facebook.com/networkingbreakfast](https://www.facebook.com/networkingbreakfast)
