June 17, 2010

Local Organizations Team-Up to Supply Sneakers To 300 Young Children in Need

Lil' Feet Project Spearheaded by the St. Lucie County Fire District

St. Lucie County, FL – Once again toddlers from the area will be receiving new shoes this summer, thanks to the combined efforts of the St. Lucie County Firefighters, Roundtable of St. Lucie County, the Early Learning Coalition, Healthy Start, and Riverside Bank.

Fundraising efforts have begun, with firefighter boots located at any St. Lucie County Riverside National Bank, a division of TD Bank, office for donations from the public.

The Early Learning Coalition and Healthy Start will identify the 300 children, infants to prekindergarten age, in need of shoes. Two Payless Shoesource stores in St. Lucie County will be the site of the event in early August.

This is the second year for the project. Last year 100 children received sneakers.

If you would like to contribute, stop by any Riverside Bank and look for the boot!
