NEW FIRE STATION GROUNDBREAKING Construction on Station 20 is set to begin

PORT ST LUCIE, FL – The St. Lucie County Fire District is excited to announce the groundbreaking ceremony for the highly anticipated new Fire Station 20 in the Tradition area. This event marks a significant milestone in our ongoing commitment to public safety.

What: Fire Station 20 Groundbreaking Ceremony

When: Tuesday, June 18, 2024 * 9:00 AM

Where: 12440 SW Village Parkway * Port St. Lucie FL 34953

Who: Local officials, community leaders, and members of the Fire District will come together to celebrate the beginning of this important project that will enhance the future fire and rescue services in that area.

Why: This new fire station represents not just a building, but also our unwavering commitment to the safety and well-being of our community. For instance, due to the rapid growth in the Tradition area, we have had to reevaluate our fire station priorities. The increased call volume in this area has led us to adjust our construction plans, resulting in station 20 being built before station 19.
