St. Lucie County Fire Board Votes to Accept SAFER Grant

Interested Applicants Need to Monitor Website for Application Process

St. Lucie County, FL – Last Thursday, August 2, the St. Lucie County Fire Board Commissioners voted to accept a SAFER grant, allowing the Fire District to hire firefighters, to serve for the next two years.

Anyone interested should continue to monitor this website, www.slcfcd.com, for application procedure updates. You are requested not to call the Fire District.
