**St. Lucie County Fire District Seeking to Hire
SAFER Grant Firefighters**

Interested Candidates Need to Have Completed NFSI Test and TCPAT Test

St. Lucie County, FL – The St. Lucie County Fire Board Commissioners voted to accept a FY 2011 SAFER Grant, allowing the Fire District to hire 21 firefighters, to serve for the next two years.

Anyone interested must successfully complete the Indian River State College's National Firefighter Selection Inventory (NSFI) Examination and Treasure Coast Physical Ability Test (TCPAT). Candidates can register for both tests at the Treasure Coast Public Safety Complex website at: <http://www.tcpublicsafetytraining.com/p/105>, and associated costs to candidates.

All testing must be completed by Thursday, September 20, 2012, at 1700 hours.

After September 20, 2012, the Fire District will review all test scores and contact those individuals who are deemed qualified to submit an application. You are requested **NOT** to call the Fire District.
