FIREFIGHTERS PREPARING FOR TWELFTH CONSECUTIVE TOY DRIVE & DELIVERY

ST. LUCIE COUNTY, FL In anticipation of the twelfth consecutive year, Christmas4Kids and St. Lucie County Firefighters are busy preparing for this year's Christmas morning toy deliveries.

With leftovers still being served from the Thanksgiving holiday, businesses and residents were already dropping off unwrapped toys to fire stations throughout the county and volunteers are already gathering to sort and wrap.

On Christmas morning, while many will be at home opening gifts and celebrating with family; local firefighters, family and friends will be delivering toys and clothing to those less fortunate.

A caravan of emergency vehicles, box trucks and cars led by Santa and the Grinch in a fire truck will make its way through the narrow streets of the mobile home parks in northern Fort Pierce. The convoy is always welcomed by squealing children and grateful parents.
