FIREFIIGHTERS PLANNING FOR ANNUAL THANKSGIVING FEAST

ST. LUCIE COUNTY, FL While most families are beginning to make travel plans for the long holiday weekend, Firefighters in St. Lucie County are preparing for the Big Heart Brigade's annual Thanksgiving meal deliveries.

Beginning next Monday; firefighters, friends and family in St. Lucie County will work around the clock prepping and cooking turkeys in anticipation for Thanksgiving morning. Over 100 volunteers will gather Thursday morning to package and deliver more than 1000 meals to local shut-ins and/or those less fortunate.

At a time when many of us are focused on giving thanks for the bounty in our lives, others are feeling the pain of need and/or loneliness. The Big Heart Brigade has been feeding families on the Treasure Coast since 1992 with the Fire Department families largely responsible for carrying out the mission in each county.

The annual Thanksgiving Day meal is a way of not only feeding those who are hungry, but also a show of kindness and support to those who are feeling the pain of poverty and misfortune.
