

Firefighters Deliver Gifts and Cheer on Christmas Morning

St. Lucie County, FL On Christmas morning while many will be at home opening gifts and celebrating with family; local Firefighters, family and friends will be delivering toys and clothing to those less fortunate.

A caravan of emergency vehicles, box trucks and cars led by Santa and the Grinch in a fire truck will make its way through the narrow streets of the mobile home parks in north Fort Pierce.

Since Thanksgiving, St. Lucie County Fire District has been collecting toys and clean, gently used clothing, while volunteers have been busy sorting and wrapping in preparation of our thirteenth consecutive year.

The group will depart at 7:00 am on Christmas morning from the administrative complex (5160 NW Milner Drive PSL). The convoy is always welcomed by squealing children and grateful parents.
